

Introduction

The **Professional Cue Sports Association (PCSA) Pro-Am Ranking System** will be introduced in **2025** to calculate and monitor player rankings across all **Pro-Am Snooker Series** tournaments at **Club 200**. This system aims to encourage regular participation, reward top performers, and provide a clear qualification pathway for the **PCSA Pro-Am Snooker Series Grand Final**.

The inaugural season will begin on **December 21, 2024**, with all scores recorded from that date. The season will run until **August 2025**, when regular tournament events conclude. After the season ends, the playoffs will commence, culminating in the Grand Final to determine the overall champion.

Ranking System Overview

The **PCSA Ranking System** will allocate points to players based on their performance in each **Pro-Am** tournament. The points distribution is as follows:

Ranking Points Allocation

- **Champion** – 1,000 points
- **Runner-up** – 750 points
- **Semi-finalists** – 500 points
- **Quarter-finalists** – 400 points
- **9th-16th place** – 300 points
- **17th-32nd place** – 200 points
- **33rd-64th place** – 100 points

Any player who does not turn up for their first match, whether they received a bye in the first round or were scheduled to play, will only receive 50 ranking points for that event.

PCSA reserves the final decision right on all matters related to attendance and scoring.

Tie-Breaking Ranking Rule for PCSA Grand Final Qualification

In the event that two or more players have identical total ranking scores on the final list—which is used to determine the top 32 players qualifying for the PCSA Grand Final—the following tie-breaking criteria shall be applied in the order listed below:

1. **Tournament Victories:** The player with the greater number of tournament victories throughout the season shall be awarded the higher ranking.

2. **Frame Difference:** Should equality persist, the player with the greater net frame difference (i.e., total frames won minus total frames lost) over the season shall be ranked higher.
3. **Total Frames Won:** If the tie still continues, the player with the higher total number of frames won during the season shall be accorded the superior ranking.

PCSA Pro-Am Series Grand Final Qualification

The **PCSA Pro-Am Series Grand Final** will feature the **top 32 ranked players**, who will automatically qualify at the end of the season. Should a qualified player be unable to participate, the **next highest-ranked player** (e.g., 33rd place) will be invited as a replacement.

The Grand Final will be structured as a **knockout tournament**, with the **top-seeded player (Seed 1) competing against Seed 32, Seed 2 facing Seed 31, and so on**. The official tournament format will be announced at a later date.

The Grand Final is scheduled to take place at the end of the season, likely in late August or early September. Rankings will be determined in accordance with the **Tie-Breaking Ranking Rule for PCSA Grand Final Qualification**. More details regarding the Grand Final, including the entry fee and final date, will be announced at a later date.

Highest Break Recognition

A dedicated **Highest Break List** will be maintained throughout the tournament series, publicly acknowledging any player who achieves a break of **50 points or more**, with their achievement recorded for recognition. At the end of the season, a prize of **£1 per point** will be awarded to the player with the highest recorded break—for example, a break of 100 points would receive £100.

Ranking Updates & Transparency

All ranking-related information, including **updated player standings** and **highest break achievements**, will be **regularly published and updated** following each **Pro-Am event** on the **PCSA official website** - <https://www.pcsaofficial.com/>.

Prize Money Distribution Per Pro-Am Event

The prize structure for each regular **Pro-Am event** will be as follows (assuming full **64-player** participation):

- **Winner:** £700
- **Runner-Up:** £300
- **Semi-finalists:** £125 each
- **Quarter-finalists:** £25 each
- **Highest Break:** £80 (*Minimum 50+ break required*)
- **Prize money will be adjusted accordingly if the number of registered participants falls below 64.**
