| Clashes          | Should WST, or any snooker promoter, move an event which creates a 'clash' after the player has entered both events the player must declare which event they are playing in and cannot participate in both. Should a player begin in a WSS event and then withdraw to play in another event they will be subject to referral to the WPBSA disciplinary panel. Any Ranking points gained to the point of withdrawal will also not be allocated. The player will lose their entry fee in the WSS event should they enter and then withdraw to play in another event |
