

AUSTRALIAN NATIONAL BILLIARDS CHAMPIONSHIP 2016

PLAYER REFEREEING SCHEDULE

Due to the record field of 48 entries for this year's championship, it will be necessary for players to assist with the refereeing of the event. Each player will be asked to share the refereeing of one match along with another player from their group.

The schedule has been designed so that you will be assigned to referee after completing a match, and with at least one session break after refereeing before playing again. Note that there is only a 15 min turnaround time between sessions, so please ensure at least one player is at the table to start the match on time.

Which player you pair up with and how you split the time, whether one is on the scoreboard while the other referees, is entirely up to you.
